By bike or foot

Being centrally located the studio is only a short stroll wherever you are once in Truro.

By train or boat

The train station is 25 minutes walk away. It is on the main line, between Penzance and London Paddington.

If you are a Co Cars member there is a car that can be hired outside the station.

A seasonal boat can take you to and from the studio to Falmouth. The enterprise boat stops a 3-minute walk away.

By bus

We well located with multiple bus stops and routes. The bus station is a short 5 min walk from the studio.

As previously mentioned, there is also a park and ride located on the outskirts of the city and stops close by.

By car

Truro is easy to find and central within Cornwall.

The A39 is the main road that runs through the city.

There are multiple carparks throughout the city centre as well as park and rides located on the outskirts.

The closest carpark is Garras Wharf (next to Tesco)

Accessing the building: **Please call the studio on arrival**

We love hearing from future partners, friends and fans! If you have a request for information or something to share, use the form below or call us.

Leap being what it is, we try and split our doe-eyed gaze between you (the client) and the environment (the emissions

we kick out). So though we prize face-to-face above other contact, we plan it carefully and keep the mileage minimal (we've an annual carbon budget).

If we can't use a bus, train or bike (and let's face it, we can't always) we try and arrange a few meetings at once, see a

few people while we're out and about. Kill a few birds with one stone, as it were. (Not that you're birds. And not that we have any stones, obviously).

Sorry. What were we saying? Just this: be lovely to see you, face to face, online, or over the phone.
